

Professional Development and Support

Training, PLC, and Communication for Members

Just as students learn by doing, so do educators and school leaders. mxINCedu member schools and educators are encouraged to continually iterate and improve their program so students can benefit.

TRAINING AND SUPPORT

Start strong and continue to access support to continually improve your craft.

Startup Teacher Bootcamp: A 1-day training experience for new members where educators walk through the student journey and learn the ins and outs of the mxINCedu curriculum.

INCMarketplace Support: As needed help to set up an e-commerce account, establish account settings, review the website, and link school/district bank account to a processing system.

Admin/Leadership Consult Meeting: Discussion with a school's leadership to assess program implementation strengths and challenges.

As Needed Instructional Coaching: When educators need support to navigate the curriculum or are looking for a thought partner, meetings can be scheduled with an Uncharted Learning team member.

PROFESSIONAL LEARNING COMMUNITY

Connect with other mxINCedu member schools.

Slack: Discussion platform for mxINCedu educators to electronically share resources, connect with others via chat/video, and share resources for teaching entrepreneurship. It is also a good place to get in touch with the Member Success Coach for inspiration or questions. [Join Slack now!](#)

Virtual Meetups: Time sensitive meetups in which educators share ideas, discuss new program elements, and learn what others are doing in the classroom to make the program successful.

Uncharted Learning National Summit: A summer conference experience where educators and administrators attend workshops focused curriculum enhancements, entrepreneurship, project based learning, and volunteers for programs. Attendees collaborate with the greater Uncharted Learning Community of entrepreneurship educators to share strategies and best practices.

COMMUNICATION AND ENGAGEMENT

Be in the know.

Newsletters and Email Blasts: Program updates, contests and external opportunities for students, important dates, and essential member info.

Social Media: Showcase of member schools, curricular milestones, and thought leadership. Join us on Twitter [#mxINCedu](#). If you post, be sure to tag [@UnchartedLRNG](#).
