

Create Future Leaders through Entrepreneurship

Prepare Your Students

Ensure your students build the full range of skills needed to thrive: resilience and agility, creativity and innovation, leadership, teaming, and financial literacy— all 'entrepreneur' skills essential to meet the requirements of a rapidly-evolving workforce.

Engage Your Alumni

Through entrepreneurship, provide students exposure to careers and mentorship, and create opportunities for meaningful, enduring connections with alumni that fosters a sense of pride.

Differentiate Your School

Entrepreneurship education gives your students a unique advantage by equipping them with the knowledge, skills, and mindset to create their own futures regardless of post-graduation path.

Uncharted Learning provides authentic, rigorous entrepreneurship programs for schools

We partner with 400 schools, including leading private schools

DON BOSCO PREP
TOGETHER WE ARE IRONMEN

Catholic School for Young Men, Grades 9-12, Ramsey, NJ

In partnership with Uncharted Learning since 2017, INCubatoredu is a component of the school's selective L.E.O. program (leadership, entrepreneurship, and opportunity). Students learn by doing and learn from mentors to build capacity as leaders and entrepreneurs who appreciate their role in society. Don Bosco Business Educator, John Esposito, led the development of the [business pathway](#), offering students real-world, authentic learning.

College Prep Augustinian High School, Grades 9-12, New Lenox, IL

Launching in 2021, Providence Catholic High School has found its entrepreneurship program to provide demonstrable student and alumni impact. It provides a new and meaningful way to bring alumni into the classroom to support student growth. [Hear more in this video from these alumni and mentors.](#) Lead teacher, Laura Moss, shares that students are learning core life skills along with business skills.

HARKER

College Prep School, Grades K-12, Silicon Valley, San Jose, CA

The Harker School, partner of Uncharted Learning since 2018, utilizes the INCubatoredu curriculum and educator professional development as part of the upper school business and entrepreneurship program. This program, among many others at Harker, aims to challenge, engage and inspire the student journey. Harker student teams, 'Tuff Toys,' and 'Shlurp Ramen' were INCubatoredu National Pitch winners. [Hear from Tuff Toy student founder in this short video.](#)
